### This is an Event for experienced cyclists who will be aware of the following procedures:

- + Whenever possible, familiarisation with the route before the event. Ensuring competence and fitness to complete the course, roadworthiness of the machine and possession of adequate cycl repair equipment, spares and skills.
- + During the event, riding safely, according to the rules of the road and personal capabilities and taking responsibility for personal feeding, warm clothing and rest periods, especially at night.
- + As with any journey on public roads being aware of and allowing for highway design and maintenance, other users (especially horses), busy traffic conditions, the state of disrepair of the surface (potholes, trenches, ironwork etc.), debris and obstructions of all kinds and poor or non-existent lighting on night sections.
- + As some roads could be high and exposed, with hills that could be steep and strenuous, carry adequate food, drink, clothing and equipment for any conditions; preparing the machine (and riding) and carrying spares and tools - and knowing how to use them.
- + In the event of bad weather, making a personal decision over starting or continuing; also to be equipped to deal with bad conditions.
- + Making private arrangements if back-up or rescue facilities are wanted, although if this is the case undertaking this ride at all should be reconsidered.

*As with all Audax UK rides you are on a private excursion on the public highway, so ensure that you are fully capable and self-sufficient.*
